HDFC ERGO

20 YEARS

Over the last 20 years, HDFC ERGO carved the growth story with relentless spirit, togetherness and single-minded focus to serve the people of our country.

The efforts and dedication of HDFC ERGO family members through this journey have made aspirations into reality and milestones into joyful memories.

As we together celebrate our 20th Foundation Day, my gratitude to your family and yourself for being an integral part of making our organisation what it is today.

We will continue to remain one family - the HDFC ERGO family. I wish you all the best and thank you for your incredible contribution and support!
